

Job ID: 18022026  
Status: External  
Category: **International**

A UK-based high-value automotive company is looking for an e-commerce operations manager for Bangladesh operation.

## **E-commerce Operations Manager**

**Job location:** Dhaka  
**Position:** 01  
**Reporting to:** Director  
**Industry:** Automotive (e-Commerce domain)  
**Experience:** 08 years+  
**Education:** MBA  
**JD areas:** SC & Logistics, marketing, customer service, project management & operations  
**Essential skills:** Experience with Google Ads, Meta Ads  
**Requirements:** Senior leadership experience in e-commerce operations for a 6-figure+ (USD) revenue business  
**CTC:** Competitive

This positional leadership will touch every operational area — supply chain, customer service, logistics, processes, team performance, and cross-functional execution.

**The company anticipates that the incumbent will join from an MNC e-commerce platform and build processes from scratch whilst training & building a team.**

If your performance and potential are in right shape, please direct your communication to [consultancy@talentforum.org](mailto:consultancy@talentforum.org) within 24 February 2026.

Confidentiality of individual is our policy matter.

**You could also refer to your acquaintances who are judged suitable.**
